¹Includes the commitment made in net present value terms plus interest earned on that commitment.

²At the time of its decision point, Afghanistan did not have any outstanding eligible debt.

³Includes commitment under the original Heavily Indebted Poor Countries (HIPC) Initiative.

⁴Côte d'Ivoire reached its decision point under the original HIPC Initiative in 1998, but did not reach its completion point under the original HIPC Initiative. Debt relief of SDR 17 million, committed to Côte d'Ivoire under the original HIPC Initiative, was therefore not delivered.
