EXTENSION OF THE PERIODS FOR CONSENT TO AND PAYMENT OF QUOTA INCREASES

Approved By

Prepared by the Finance Department Andrew Tweedie (FIN) (in consultation with the Legal and Secretary's Departments).

- This paper proposes an additional extension, for one year, of the period for members to consent to an increase in their quotas under the Fourteenth General Review of Quotas ("Fourteenth Review") through June 30, 2021. The current deadline was last extended for a period of six months and is due to expire on June 30, 2020.² However, the Board of Governors Resolution No. 66-2 provides that the Executive Board may extend the period for consent as it may determine. An extension under Resolution No. 66-2 will also extend the periods of consent for quota increases under the 2008 Reform of Quota and Voice (Resolution No. 63-2) ("2008 Reform") and the Eleventh General Review of Quotas (Resolution No. 53-2).3 A one-year extension, instead of a six month extension, in the periods for consent is proposed in light of the streamlining needs in the wake of the COVID-19 pandemic and is also consistent with broader streamlining efforts.
- 2. This paper also proposes an additional extension by one year of the periods for payment of quota increases under the Fourteenth Review, and for payment of quota increases under the 2008 Reform, through June 30, 2021.
- 3. As of June 10, 2020, four members, namely, Eritrea, Federated States of Micronesia, Sudan, and the Syrian Arab Republic had not yet consented to their proposed quota increases under Resolution No. 66-2.4,5 Sudan is currently not eligible to consent to its quota increase under the Eleventh and Fourteenth General Reviews due

 $^{^4}$ Somalia consented to and paid for its quota increase under the Fourteenth General Review of Quotas on March 25, 2020, following clearance of arrears to the Fund.

⁵ Palau has not consented to its quota increase under the 2008 Reform. It has, however, consented to its quota increase under the Fourteenth Review but has not made payment of its quota increase. Marshall Islands is the only other member that has consented to its quota increase under the Fourteenth Review and not made the payment of its quota increase.

to protracted arrears to the Fund's General Resources Account.^{6, 7}

- 4. For the Fourteenth Review, under the Board of Governors Resolution No. 66-2, each member shall pay to the Fund the increase in its quota within 30 days after the later of (a) the date on which it notifies the Fund of its consent, or (b) the date on which all of the general effectiveness conditions for the quota increases under the Fourteenth Review are met, provided that the Executive Board may extend the payment period as it may determine.⁸ The Executive Board has previously extended the payment period several times, most recently through June 30, 2020.⁹ Staff continues to follow up on the remaining quota payments, and the concerned members have indicated that they require additional time to complete internal procedures for the payment of quota increases.¹⁰
- 5. With respect to the 2008 Reform, among members that have consented to their ad hoc quota increases under the 2008 Reform, two members—Eritrea and the Syrian Arab Republic—require additional time to complete the payments for their ad hoc quota increases. The Executive Board has previously extended the payment deadline for these countries, most recently to June 30, 2020.¹¹
- 6. While it is important to emphasize that all members who have not yet consented to their Fourteenth Review quota increases should do so without further delay, and that members who have consented to their quota increases should make their quota payments in a timely manner, a further extension by one-year in the periods for consent to and payment of quota increases would seem appropriate.
- 7. In these circumstances, it is proposed to extend the period for consent under Resolution No. 66-2 to end at 6:00 p.m., Washington D.C. time, on June 30, 2021. It is also proposed that the Executive Board extend the period for payment of the quota increases under the Fourteenth General Review of Quotas through June 30, 2021 for those members whose quota payments would otherwise be due earlier, and that the Executive Board extend the period for payment of the quota increases under the 2008 Reform for Eritrea and the Syrian Arab Republic through June 30, 2021.

⁶ Resolutions No. 53-2 and 66-2 provide that no member with overdue repurchases, charges, or assessments to the General Resources Account may consent to, or pay for, its quota increase until it becomes current with respect to these obligations.

⁸ See paragraph 5 in the <u>Board of Governors Resolution No. 66-2</u>, Fourteenth General Review of Quotas and Reform of the Executive Board.

⁹ See Extension of the Periods for Consent to and Payment of Quota Increase (1/15/2020).

¹⁰ As of June 10, 2020, of the 185 members that had consented to their quota increases under the Fourteenth Review, 183 members had paid their quota increases.

¹¹ See Extension of the Periods for Consent to and Payment of Quota Increase (1/15/2020).
