1. In March 2009, the Fund established a new Framework Administered Account to administer external financial resources for selected Fund Activities (the “SFA Instrument”).¹ The financing of activities under the terms of the SFA Instrument is implemented through the establishment and operation of a subaccount within the SFA. The Kingdom of the Netherlands—Netherlands Subaccount will be the tenth subaccount to be established under the SFA. This paper requests Executive Board approval to establish the Kingdom of the Netherlands—Netherlands Subaccount for Selected Fund Activities (the “Subaccount”) under the terms of the SFA instrument.

2. The Fund, represented by the Managing Director, has reached understandings with the Kingdom of the Netherlands—Netherlands acting through the Ministry of Foreign Affairs, to finance capacity building, training and related activities. On the basis of these understandings, the Managing Director has established the essential terms and conditions of the Subaccount, with which the Kingdom of the Netherlands—Netherlands concurs, with respect to the nature, design, and implementation of the activities to be financed and the method by which the costs of the activities will be financed from the Subaccount. These terms and conditions include the following:

a. The resources of the Subaccount shall consist of amounts contributed to the Subaccount by the Kingdom of the Netherlands—Netherlands and earnings that accrue as a result of investment of these amounts (net of any costs associated with such investments). The

resources of the Subaccount will be used to finance projects that seek to enhance the capacity of Fund members to formulate and implement policies in the macroeconomic, fiscal, monetary, financial and related statistical fields, including training programs and projects that strengthen the legal and administrative framework in these core areas.

b. The Kingdom of the Netherlands—Netherlands and the Fund shall reach understandings upon operational features related to the activities to be financed from the Subaccount, consistent with the understandings that have been reached between the Kingdom of the Netherlands—Netherlands and the Fund and the Instrument governing the SFA.

c. Resources will be placed in the Subaccount by the Kingdom of the Netherlands—Netherlands on the basis of Letters of Understandings signed between the Kingdom of the Netherlands—Netherlands and the Fund relating to specific activities to be undertaken. The Subaccount will permit the Kingdom of the Netherlands—Netherlands to transfer resources from the Kingdom of the Netherlands—Netherlands Subaccount to any subaccount under the SFA.

d. To help defray the expenses incurred by the Fund in the management of the Subaccount that it will finance, reimbursement equal to 7 percent of the expenses financed by the Subaccount will be paid to the Fund from the Subaccount.

3. The essential terms and conditions of the Subaccount are consistent with the terms and conditions of the SFA Instrument, and the activities to be financed from the Subaccount are consistent with the purposes of the Fund. Accordingly, it is proposed that the Executive Board approve the establishment of the Subaccount.
