**Proposed Amendment on the Reform of the IMF Executive Board and
Fourteenth General Review of Quotas—Status of Acceptances and Consents**

Prepared by the Secretary's Department

Approved by Jianhai Lin

July 13, 2012

1. This status report reviews progress toward implementation of the 2010 Governance and Quota Reforms. It updates the status of consents to the proposed quota increases under the 14th General Review of Quotas and of acceptances of the Proposed Seventh Amendment on the Reform of the Executive Board (“Board Reform Amendment” or “Seventh Amendment”) as set out in the Board of Governors Resolution No. 66-2.
2. For the proposed quota increases under the 14th General Review of Quotas to become effective, members having not less than 70 percent of the total of quotas on November 5, 2010 must consent to the increases in their quotas and the proposed Board Reform Amendment must have entered into force.¹ The proposed Board Reform Amendment enters into force once the Fund certifies that three-fifths of the members (i.e., currently 113 members) representing 85 percent of the total voting power have accepted the proposed amendment.
3. As of July 12, 117 members having 72.19 percent of quotas as of November 5, 2010 had consented to their proposed quota increases under the 14th General Review of Quotas. As of the same date, 88 members having 58.64 percent of the total voting power had accepted the proposed Board Reform Amendment (see attached Tables).
4. The previous status report was issued to the Executive Board on June 12.² Since then, an additional ten members have consented to their proposed quota increases and eight more members have accepted the proposed Board Reform Amendment. Overall, the membership is about two-thirds of the way toward meeting the voting power threshold for entry into force of the Seventh Amendment (see Chart). Progress toward meeting the quota requirement for effectiveness of the quota increases under the 14th General Review of Quotas has been significantly faster, and that threshold has been reached already. However, as noted above, the quota increases will not become effective until the Seventh Amendment has entered into

¹ The third condition set out in Resolution No. 66-2 has been met with the entry into force on March 3, 2011 of the Voice and Participation Amendment (Sixth Amendment) of the Fund's Articles of Agreement, approved under Board of Governors Resolution No. 63-2.
