

## **Meeting with the Management and Faculty Members of the Tajik State Technical University**

On December 12, 2013, the IMF Resident Representative in Tajikistan, Mr. Aidyn Bibolov, met with the management and faculty members of the Economics Department of the Tajik State Technical University. During the meeting, he was informed about the history and structural organization of the institution and discussed prospects for continuous cooperation.

On the same day, Mr. Bibolov made a presentation to students on the history and the current state of the IMF, its role and activities in Tajikistan, and also covered recent macroeconomic developments in the country. The highly interactive presentation was followed by a series of questions and answers with the audience. The participants received copies of IMF publications.
