

Figure 1.10. GDP Growth Forecasts
(Annualized quarterly percent change)

In advanced economies, growth is expected to remain robust and above trend through 2016 and contribute to narrowing the output gap. The growth recovery in the euro area is projected to be broad based. Growth in India is expected to rise above the rates in other major emerging market economies. In Latin America and the Caribbean, activity is expected to rebound in 2016 after a recession in 2015.
