

ADMINISTRATIVE TRIBUNAL OF THE INTERNATIONAL MONETARY FUND

ORDER No. 2017-1

Mr. “LL”, Applicant v. International Monetary Fund, Respondent (Recommencement of the Proceedings)

The Administrative Tribunal of the International Monetary Fund,

- considering that in *Mr. “LL”, Applicant v. International Monetary Fund, Respondent (Suspension of the Pleadings and Denial of Provisional Relief)*, IMFAT Order No. 2016-1 (June 28, 2016), para. 9, the Tribunal decided:

[T]he Motion for Summary Dismissal shall not be granted. At the same time, as permitted by Rule XXI, para. 2, [footnote omitted] the time limits in relation to the Application as stipulated in the Rules of Procedure will be suspended until: (a) any appeal pending before the SRP Administration Committee in respect of Applicant’s pension payments has been decided; and (b) Management has rendered final decisions on any recommendations issued by the Grievance Committee in respect of Applicant’s fourteen grievances pending before it, or the Grievance Committee has denied jurisdiction in respect of those grievances. Once these conditions have been met, the Tribunal shall issue an order further regulating the procedures to be followed in respect of the Application.

- considering that the Tribunal has been informed that: (a) on June 17, 2017, the SRP Administration Committee denied Applicant’s pending appeal; and (b) on September 9, 2016, and March 1, 2017, Fund Management accepted the Grievance Committee’s recommendations with respect to Applicant’s pending Grievances, and other Grievances were earlier dismissed by the Grievance Committee on jurisdictional grounds,

unanimously adopts the following decision:

The conditions set out in Order No. 2016-1 have now been met. Accordingly, the proceedings shall recommence as follows.

ORDER

For the reasons set out above and by Order No. 2016-1:

1. Within three months of the date he was notified of the SRP Administration Committee’s denial of his appeal, Applicant shall file with the Tribunal a Revised Application. The Revised Application shall comply with the requirements of Rule VII of the

Tribunal's Rules of Procedure (except as provided below at paragraph 3 of this Order) and shall take account of the developments in the channels of review since the filing of the Application of December 28, 2015.

2. Following the filing of the Revised Application, the recommenced proceedings shall proceed in accordance with the time limits and other requirements of Rules VIII – X of the Rules of Procedure, with the following exception:

3. The parties shall not be required to duplicate documentation already provided to the Tribunal as part of their submissions filed prior to the issuance of Order No. 2016-1 insofar as reference is made to the earlier pleading and annex number.
