(Withdrawal of the Application),***
IMFAT Order No. 2024-1 (October 15, 2024)

DENIAL OF REQUEST FOR ANONIMITY – WITHDRAWAL OF APPLICATION

Applicant filed an Application with the Administrative Tribunal, including a request for anonymity. Following the exchange of written pleadings between the Parties, the Tribunal informed them that, unless they agreed on anonymity, the Tribunal would reject Applicant's request for anonymity. Applicant subsequently informed the Tribunal of the withdrawal of the Application. The Tribunal therefore decided, without disclosing the identity of Applicant, to record in its Order the withdrawal of the Application and the termination of the proceedings.
