

IMF capacity development activities have expanded rapidly to meet demand from member countries across the globe. The maps below show the amount of technical assistance and training provided in FY2015, measured in the equivalent of a year's worth of full-time work by one expert and a week's worth of full-time coursework for one student, respectively.

Technical assistance provided

No delivery
 0-1
 1-2
 2-3
 More than 3 expert-years equivalent

Training

No delivery
 0-50
 50-100
 100-200
 More than 200 participant-weeks
