<sup>1</sup> Countries report IIP data of varying comprehensiveness. Where these data are viewed as sufficiently comprehensive that the total assets, total liabilities, and net position are meaningful and not misleading, these aggregates are calculated and published. Otherwise, the partial IIP data are published without the aggregates.

<sup>2</sup> The cutoff date for this report is September 20, 2002 which corresponds with the cutoff dates for the 2002 Balance of Payments Statistics Yearbook and for the November 2002 edition of the International Financial Statistics publication.
