¹ Countries report IIP data of varying comprehensiveness. Where these data are viewed as sufficiently comprehensive that the total assets, total liabilities, and net position are meaningful and not misleading, these aggregates are calculated and published. Otherwise, the partial IIP data are published without the aggregates.

² The cutoff date for this report is April 27, 2006.

³ BOP data prior to 2002 cover Belgium-Luxembourg.

⁴ BOP data are reported on a spreadsheet and IIP data are reported via GESMES/CB for Italy.

⁵ Data may be reported by email, ICS or both.

* Participating in the 2005 Coordinated Portfolio Investment Survey
