Note:

^aFor countries that became members after 1989, the effective date of membership is given in parentheses.

^bQuotas under the Eighth General Review generally came into effect in 1983.

^cQuotas under the Ninth General Review in most cases came into effect during November or December 1992. Those marked with an asterisk came into effect during 1993; for exact effective dates, see *Annual Report 1993*, pp.128–29. Those marked with two asterisks took effect in 1994 or 1995.

^dQuotas under the Eleventh General Review in most cases came into effect during 1999. Those marked with an asterisk came into effect in later years.

^eCambodia did not participate in the Sixth, Seventh, Eighth, or Ninth quota review (1978–92). It received an ad hoc quota increase in April 1994.

^fQuota increases under the Ninth Review did not take effect for the Democratic Republic of the Congo, Iraq, Liberia, Somalia, and Sudan, owing to those members' protracted arrears to the Fund. As of May 2011, Somalia and Sudan also had not received increases under the Eleventh Review.

^gName changed from "Western Samoa" in 1997.

^hThe total for the Eighth General Review includes five countries for which quotas were established but that did not become members until after the Ninth General Review took effect. Quotas of members in October 1992 totaled SDR 96,176.55 million. At the end of 1999, quotas totaled SDR 210,249.1 million.
