

Remittances, FDI, and ODA to the Caribbean¹

(1990–2002; percent of GDP)

Sources: IMF, *Balance of Payments Statistics Yearbook* (BOP); World Bank, *World Development Indicators*; OECD; country authorities; and IMF staff calculations.

¹Remittances are calculated as the sum of the following items from the BOP: workers' remittances, compensation of employees, and migrants' transfers. FDI is in terms of gross inflows.
